The West Fargo Hockey Association is in need of volunteers, as we have had problems finding volunteers in the past we have found it necessary to require **10 hours of volunteer work per family**. (If you only have a termite player in the association or this is the first year in the Association, your obligation is only 5 hours.) We would appreciate if you are able to put in the extra time, as those who put forth the extra effort make this a better association. We are asking for a post dated check for \$125, and if the family fulfills the required 10 hours, then the check will be returned and not cashed, if for some reason you do not work all your hours, we will cash the check and prorate it at a rate of \$12.50/hour. We will return the checks at the 2008 Banquet if you fulfill your hours. You will receive an email confirmation at least 1 week before the check is cashed. There will be a no show charge of \$25/hr if you sign up for a shift and do not show. You will still need to fulfill those missed hours. You may also choose to do a buyout of \$100. **These hours are separate from the team obligation- meaning their regularly scheduled games; please follow the rules of your team manager.**
